TECHNICAL SKILLS

- **Operating Systems:** Windows
- **Programming Languages:** Java,JavaScript
- **Frameworks/Libraries:** React, Node.js, Express.js
- **Tools and Technologies:** Android Studio, Git, Visual Studio, Postman
- **Database Management:** MySQL, MongoDB
- **Web Technologies:** HTML5, CSS3, JavaScript

ABOUT ME

Motivated Information Technology undergraduate specializing in IT systems and web development, with a strong interest in Business Analysis. Detail-oriented and adaptable, with skills in requirements gathering, process modeling, and documentation. Passionate about applying academic knowledge to real-world business and IT challenges by bridging the gap between stakeholders and technical teams. Currently seeking an internship to enhance analytical skills, contribute to impactful projects, and gain hands-on experience in a collaborative business-IT environment.

EDUCATION

Bachelor of Science (Hons) in Information Technology
Faculty of Computing| SLIIT University 2023 - Present

Completed Modules : 1st Year
- Introduction to Programming
- Mathematics for Computing
- Object Oriented Concepts
- Software Process Modeling
- Information Systems & Data Modeling
- Internet & Web Technologies

Completed Modules : 2nd Year
- Software Engineering
- Object Oriented Programming
- Database Management Systems
- Computer Networks
- Operating Systems and System Administration
- Mobile Application Development
- Data Structures & Algorithms
- Probability & Statistics
- IT Project

Ongoing Modules : 3rd Year
- Human Computer Interaction
- Information Assurance & Security
- Data Science & Analytics
- Business Management for IT

G.C.E. Advanced Level 2020 - 2022
Isipathana College, Colombo 05
Commerce Stream - 3 C's (Acc, Bs & IT)

G.C.E. Ordinary Level 2018 - 2019
Isipathana College, Colombo 05
4A's, 4B's & 1C's (Mathematics, Science & IT - "A")

PROJECTS

Website Development - Trend Byte (Online Clothing Shop)
Group Project | SLIIT | Mar 2025
Built a full-stack product-based web application using React and Node.js.

List of things I was involved in the project:
- Designed interactive UI components using React.
- Developed backend APIs using Node.js and Express.
- Integrated MongoDB for storing product, user, and order information.
- Implemented shopping cart and checkout functionality.
- Ensured responsive design and cross-browser compatibility.

SOFT SKILLS

- Leadership
- Team Work
- Time management
- Problem Solving
- Fast Learner

LANGUAGES

- Sinhala
- English

Mobile App Development - Emile Pocket (Android App)
Individual Project | SLIIT | Apr 2025
Developed an Android mobile application using Java in Android Studio, focusing on core app functionality and user experience.

List of things I was involved in the project:

- Designed and implemented UI using Android XML layouts.
- Integrated Android components like RecyclerView, Intents, and SQLite.
- Focused on smooth navigation and user-friendly interface.
- Implemented data persistence and input validation.
- Conducted testing to ensure app stability and performance.

Web Application Development - SLIIT Staff (Staff Management System)
Group Project | SLIIT | Jul 2024
Created a staff management system to handle staff data using Java and MySQL.

List of things I was involved in the project:

- Developed frontend interfaces using HTML, CSS, and JavaScript.
- Used Java to handle server-side logic and data processing.
- Connected to MySQL to perform CRUD operations on staff records.
- Built and tested forms for staff registration, updates, and deletions.
- Collaborated in a team environment using Visual Studio for development.

EXTRACURRICULAR ACTIVITIES

Former Treasure 2022-2023
LEO Club - Isipathana College

Former Coordinator 2022-2023
Commerce Society - Isipathana College

Former Asst.Treasure 2021-2022
LEO Club - Isipathana College
